2 Login

3 Home

4 Search

5 Restaurant

6 Cart

7 Payment

8 Profile

Design System

Primary

#FF6B35 Orange

Secondary

#1A1A2E Navy

Typography

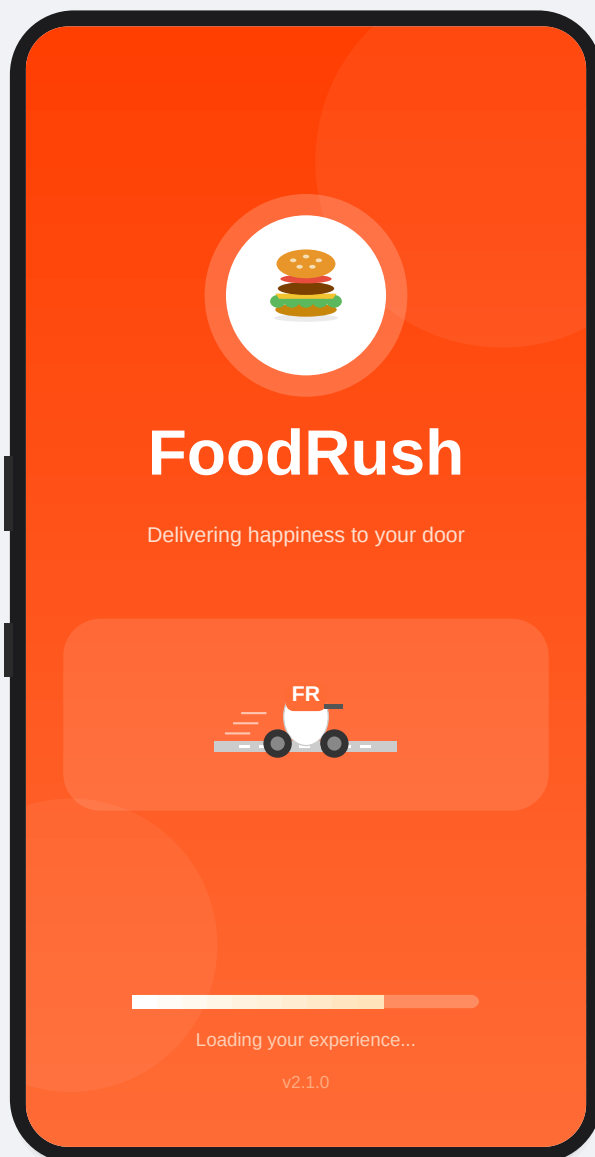

Poppins

Style

Modern Clean

Screen 1 — Splash Screen

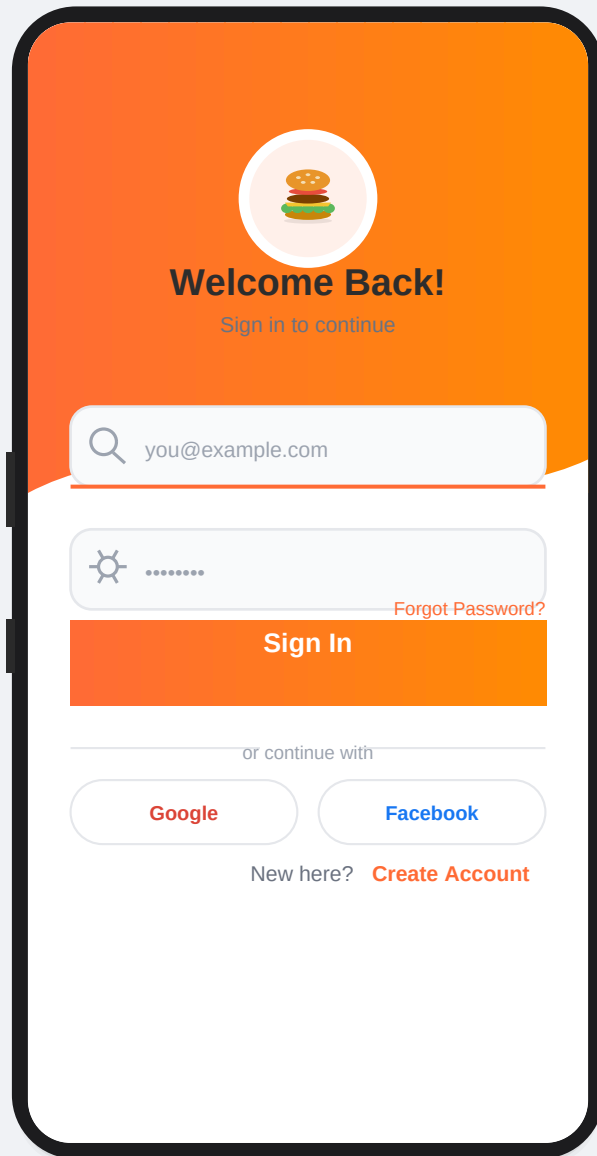

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship

Signature: Full-bleed gradient + drawn scooter delivery scene in frosted card — brand story at first glance

Screen 2 — Login Screen

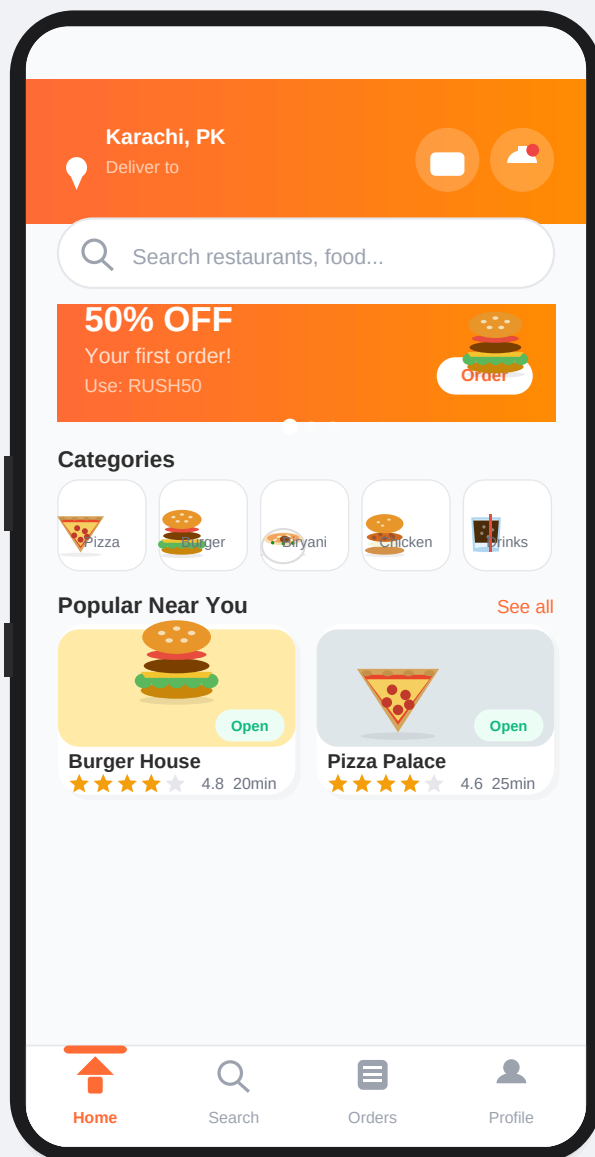

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship

Signature: White card over orange wave — trust + warmth; food icon in logo badge reinforces brand

Screen 3 — Home Screen

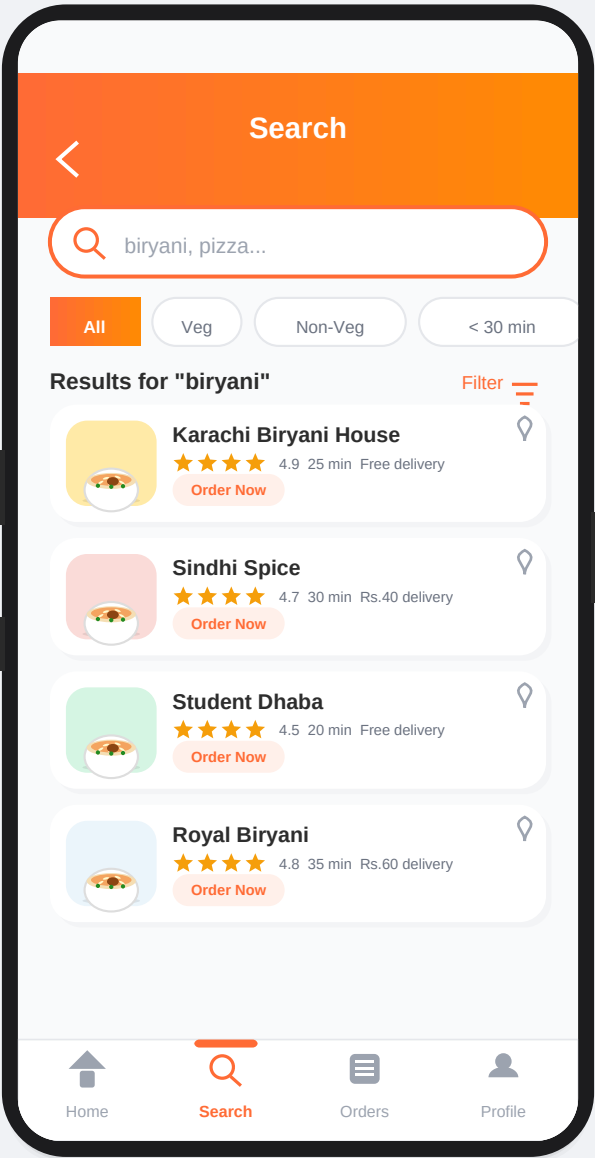

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship

Signature: Drawn burger/pizza in category chips & cards — rich, food-first visual language

Screen 4 — Search Screen

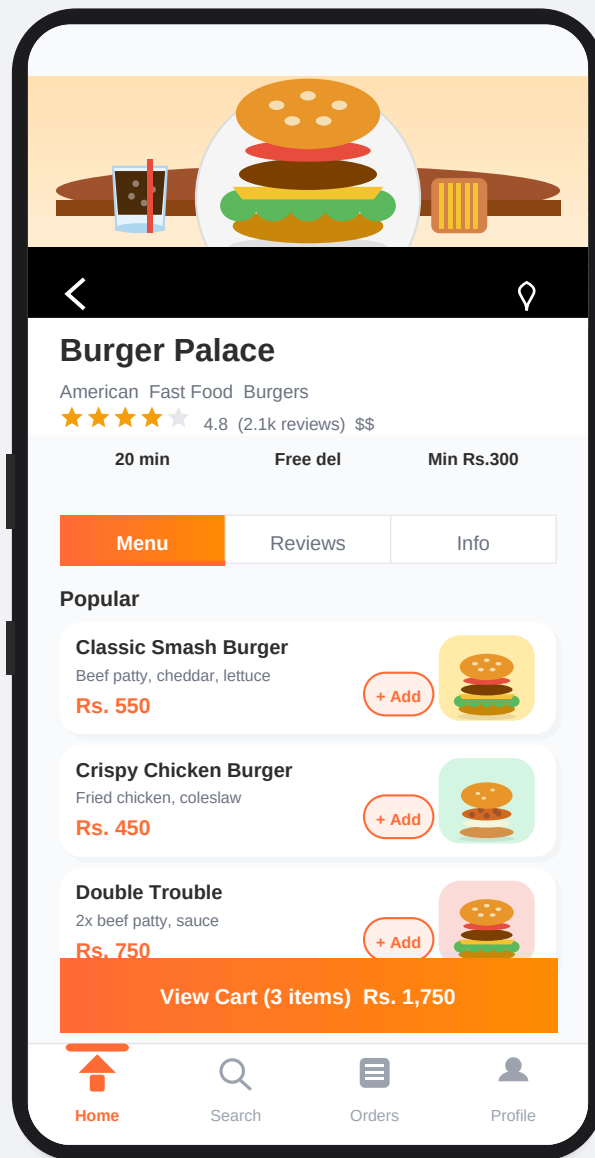

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship

Signature: Food illustrations in search cards make results instantly recognizable without text

Screen 5 — Restaurant Details

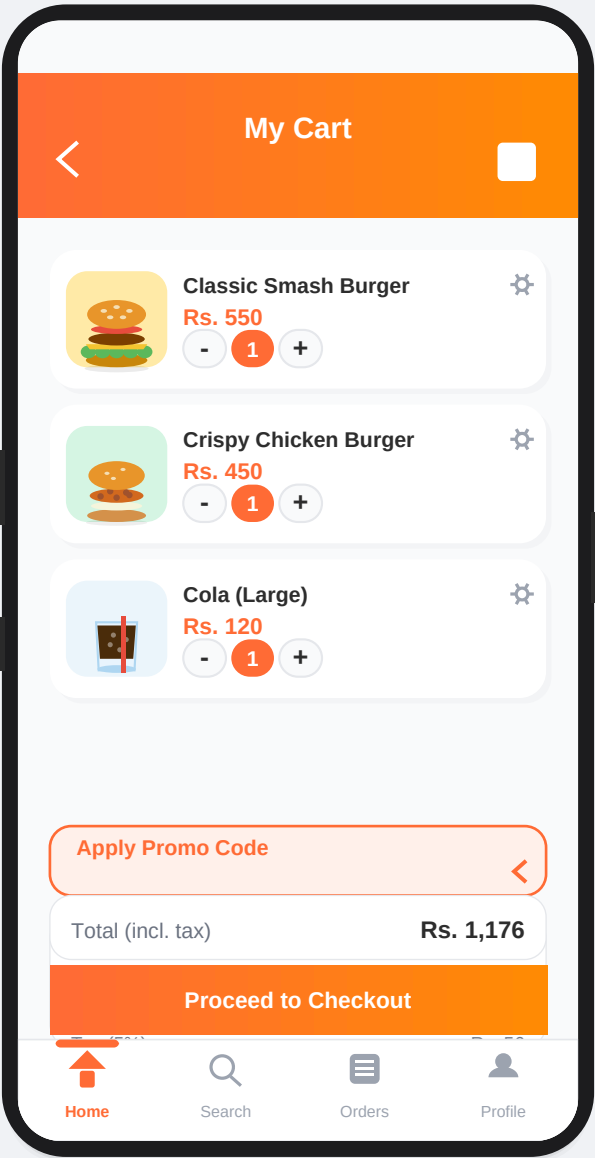

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship

Signature: Illustrated restaurant cover scene with food + table — immersive hero without a photo

Screen 6 — Cart Screen

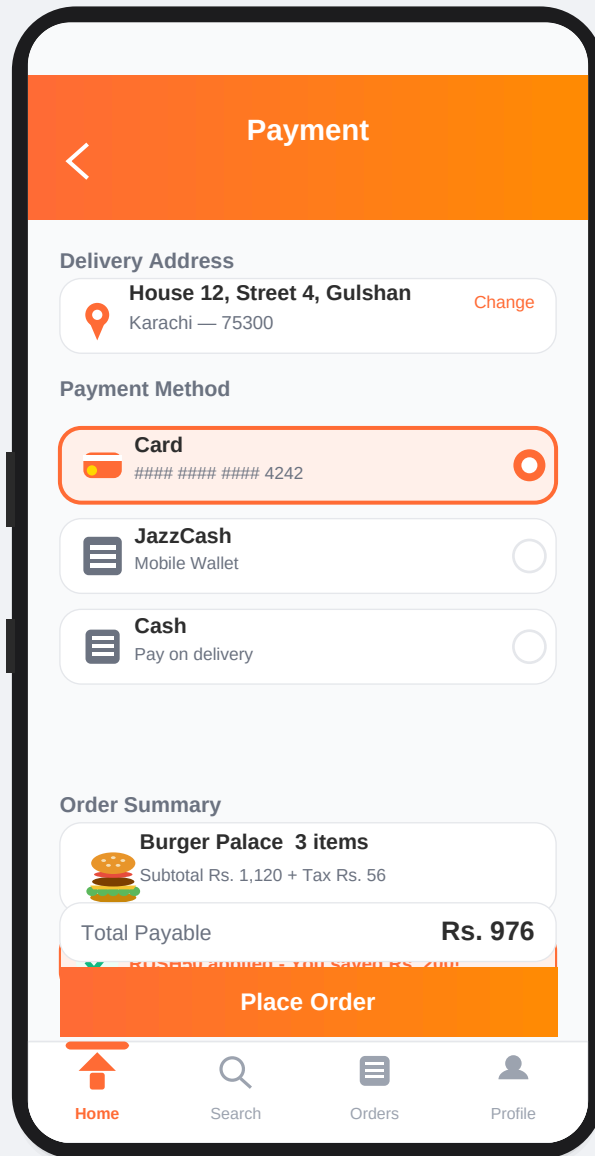

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship

Signature: Food illustrations in cart items — user sees exactly what they ordered, visually confirmed

Screen 7 — Payment Screen

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship

Signature: Burger mini-illustration in order summary — product confirmation builds confidence at checkout

Screen 8 — Profile Screen

Task 2 — High-Fidelity UI Design | Food Delivery App | CodeAlpha Internship
